Please come down the long driveway just past the electronic Dobie marquee sign (on Blackhawk at the rear of Moore Elementary) and proceed all the way down to the rear of the school. Buses will unload at the auditorium entrance at the back of the school (student monitors will meet you there). Equipment trucks may utilize the bus lane in front of the band hall for loading and unloading percussion equipment at the auditorium loading dock door (**NOTE: The bus lane and loading dock will not be accessible from 2:00-2:40pm due to after-school bus pickup – please plan accordingly with regard to loading-in your percussion equipment**). Buses and trucks may park in the back parking lot – students may walk directly to the buses from the back of the band hall after sight-reading.

Upon arrival, each director should check in at the contest office located in the medium ensemble room near the drama, band, and stage area. Remember to have all of your numbered judges' scores and be sure to write your school's name on the front of each score. **DON'T FORGET YOUR FORM #1!**

A student monitor will meet your group to lead you through the contest process. If possible, please leave your instrument cases on your buses. If necessary, cases may be left in the auditorium lobby area or grouped together in the main hall on the window side...not the locker side. **This area will not be monitored so please keep valuables on the bus.**

There will be a sufficient number of chairs and stands for each group in each of the following areas: 1) Warm-up, 2) Stage, and 3) Sight-reading. A Peterson strobe tuner, McAdams metronome, and Yamaha Harmony Director w/amplifier will be available in the warm-up room.

Equipment furnished on the stage:

- Piano (6' concert grand – please plan your set-up accordingly)
- Risers: 16" (4 platforms) & 8" (6 platforms). Please bring your own pie wedges. If your set-up requires 24" risers, please contact me in advance
- Acoustical Shell and Cloud
- *Certain large percussion items may be available for use.* Please contact us in advance!!!

NOTE: THE SHELL WILL REMAIN ACROSS THE BACK OF THE STAGE DURING ALL PERFORMANCES. IT CAN BE ADJUSTED TO YOUR SETUP, BUT WILL NOT BE REMOVED FROM THE PERFORMANCE STAGE.

We will do our best to keep this contest on schedule, so please be prepared to enter warm-up on time and plan to **leave the warm-up room 5 minutes early**. We will have a stage crew to set up your band but an assistant director will be needed to fine tune your set-up. Please instruct your percussion section how to set up for their performance. If your set-up changes from the original you sent, please email a new set-up chart to krerickson@pasadenaisd.org.

The warm-up room will be located in our Large Ensemble Room (Room 525). We request that the doors to this room remain closed at all times. After you finish on the stage, you will be taken to the band hall for sight-reading. Please note the route you will follow during the contest. **NOTE: Due to the increased number of schools at this contest, we will not be able to accommodate requests to store percussion equipment overnight – please plan accordingly!!!**

Doors to the auditorium will be closed during each performance, and will only be opened between performances. Please remember that classes are in session at Dobie. Please monitor your group and be as quiet as possible at all times. **Students must remain quiet in the lobby area and common areas before you enter warm-up. Please do not allow students to enter the warm-up room or performance areas until you move to these locations.** If you must bring groups early or stay late, please remind your groups of appropriate concert behavior and monitor them very closely.

You may pick up your ratings in the contest office (band ensemble room).

VERY IMPORTANT: If your performance time is between 7-8am or 2:00-3:00pm please allow at least 30 minutes extra time. Traffic in front of the school is always difficult during these peak traffic hours. You may consider arriving a little early to get properly unloaded and acclimated to the new performance location.

We certainly want to do everything possible to make your time on the Dobie campus as pleasant as possible. I want to wish each of you the best of luck during your performances. If we can assist you in any way please don't hesitate to call. **PHONE:** 713-740-0370 x04243

Regards,
