

AREA F MARCHING CONTEST

The following information is for the band directors who have a "Statement of Intent" on file, and are eligible to attend the Area F Marching Contest. Hopefully this will answer all of your questions.

1. The contest will be conducted according to the rules of the **Constitution & Contest Rules**. Please read and have an understanding of the rules prior to attending the contest. All information, regarding the Area F Contest, will be on your region's website.
2. The Draw Order is on the website. The performance schedule of times will be posted on the website after the total number of entering schools has been finalized.
3. The **ENTRY FEE** for Area is \$500.00 per band. Bring the **entry fee**, the **entry form** (signed by your principal or superintendent), and the **announcer sheet** to the press box prior to your performance. A copy of the announcer sheet from your regional marching contest is acceptable. Make the check payable to: **AREA F UIL MUSIC**. The entry form (on your website), and the announcer sheet, may be faxed to 281-312-0257, or scanned to bengollehon@gmail.com by Thursday morning.
4. The gate fee for spectators is \$5.00 per person. Bus drivers will be admitted free. However, administrators and band chaperones must have chaperon passes. Ten passes per band will be given to the director at check in.
5. At 45 minutes prior to your band's performance time, you will report to the warm-up area. Each band is allotted 30 minutes in warm-up. At 15 minutes prior to your performance, your band will be guided to a staging area near the end zone of the visitor's side. At the appropriate time, your band will be given the okay to enter the field. At that time the 5 minute clock will begin. The opening script will be read with 45 seconds remaining on the 5 minute clock. The field clock will be set at 8 minutes, and will start when the 45 seconds have expired. Please refer to the instructions on Marching Band Script.
6. Failure of a band to leave the warm-up on time is not a valid excuse to begin a performance late. The clock will start at the scheduled times.
7. At the end of the preliminaries, one director from each band will come to the press box to review the ranking of the bands. Any and all protests must be made prior to the announcement of the results of the preliminaries.
8. The drum majors of all participating bands will assemble on the press box side of the field where they will be introduced, and the bands advancing to the finals (later that evening) will be announced.
