January 17th, 2020

Dear Directors,

J. Frank Dobie High School welcomes you to our campus for the 2020 State Qualifying UIL Solo and Ensemble on February 8th 2020. On the Region 19 website, you will find a map to park and where to enter at Dobie High School.

Buses should enter on the south side of the school, past Moore Elementary (just past the Dobie marquee sign). Head all the way to the back of the school, turning right at the second stop sign. Upon pulling up to the GYMNASIUM entrance, and follow the signs to the unpacking and warmup area. Directors will need to report to the contest office in order to check in. Please remember to bring your own original parts for each contest entry, and please make sure your scores have measure numbers.

Students will be performing in an area that has hard surface flooring. Cello and Bass players should bring their own rock stops. No Rock Stops or Stools will be available otherwise. If you have need of any special accommodations, please email any of us as far in advance as possible and we will try to be as helpful as possible.

We anticipate a smooth contest which will run on time and we are looking forward to hosting you.

Best of luck to you and your students during these final days of contest preparation.

Musically yours,

The Dobie High School Orchestra Directors
