

Dear Directors,

The UIL Middle School Solo and Ensemble Contest will take place at Barbers Hill Middle School North on Saturday, February 5, 2022. The school is located on 3180 (Exit 800) just north of I-10. If you have minor schedule conflicts, please try to arrange a solution with another school. We will help in any way we can.

All busses should park behind the administration building which is located south of the Middle School North.

We plan to have a variety of snacks and food throughout the day for everyone. We will bring in pizza for lunch as well as other snack items. Please have your students bring money.

Please remember the following:

1. MSS students will warm-up in the cafeteria & MSN students will warm up in the MSN Band Hall. Students cannot play instruments outside this designated warm up area. This includes percussion using furniture as a practice pad.
2. Please bring your own percussion equipment. There will be timpani, bass drum and xylophone available if you would like to borrow them.
3. Remind your students to write the school name on the originals. In the event that it is not picked up after the performance, we want to know to which school to return the originals.
4. Please try to have adult supervision for your students in the cafeteria area. Periodically remind them to throw their trash away.
5. Remind your students that food and drink are only allowed in the cafeteria.
6. Students are not allowed in the contest office (library).

Good luck to all of your students! We are looking forward to hosting the event. Please let us know if we can aid you in any way!
