In addition to the non-refundable Family Registration Fee, payments to *The Elite Student Fleet* are made in advance of services rendered.

An On-Call / Sick Child Service Option is available for Registered families. To use this option, *The Elite Student Fleet* must be listed with your child’s school as an authorized entity to retrieve your child from school and deliver them to your home or to the care of a trusted family member. The charge for this service is $25 and is in addition to any contracted amount.

Transportation services for students are not pro-rated. For example, if you’ve requested and paid for a 5-day transport but schools were closed for 2 days due to inclement weather, no refunds will be given. **But a notation will be made in your account and the missed days may be converted to On-Call/Sick Days during the same school year.**

**Additionally, *The Elite Student Fleet* will follow the delays and closings of the schools for which transportation is provided.**

No refunds will be provided. Two weeks’ notice is required to discontinue service. During this time every reasonable effort will be made to facilitate family retention or to create a positive transition for the student.

Payments to *The Elite Student Fleet* are billed monthly and may be conveniently paid monthly or biweekly with full or partial drafts on or around the 15th and 30th of each month. For your convenience, payments can be made on our website through our secure online payment portal or in full via PayPal at Payments@EliteStudentFleet.com.
