We would like to ask that you consider a donation to be auctioned at our event to support the improvements and education of the students at LES. All donations are tax deductible and your business will be included on a list of donors on the LES website as well as event material that will be given to the attendees. All proceeds from the auction will directly benefit the PTA sponsored activities within the school.

Our Silent Auction is our largest fundraiser that guarantees the continuation of such valuable programs to our school. Now more than ever before, our students need your help in any size or amount. The names of all donors and businesses will be prominently displayed during the live auction. To ensure proper recognition, we are asking for all donations to be received by Friday, February 28, 2020.
