

Friday, May 3rd

Please read the following important Field Day information:

- Each child will need to bring their own water bottle to field day with their name on it.
- Sunscreen must be applied by parents at home. It is NOT legal for the school to apply sunscreen on students.
- Room parents should bring a cooler with ice to keep the water bottles cold throughout the day.
- Due to water games, it is recommended that each child has an extra pair of clothes and shoes—or wear water shoes that are ok to get wet.
- We know that the kids will play water games but that should be minimal. If a child is soaking wet and/or muddy, they will NOT be allowed on the inflatables. Parents, please make sure children are aware of this.
- Kona Ice will be provided to each child!
- Parents, please join us for some fun and volunteer if you can! Look for a sign-up via email!
