Your involvement in your child's academic life through the PTA is priceless. We are always looking for volunteers, and would love your help in a variety of activities at school, after hours, and even in your home. We appreciate any time you can give – whether it's a few hours a week, or just an hour a month. Volunteering is also a great way to get to know the teachers and staff, as well as meeting other parents in our community.

→ This form contains a list of the committees and activities requiring help for the upcoming year, along with an overview of the volunteer activity. Please check any and all areas that you have an interest in, and a PTA representative will contact you to provide more information about your particular interests and volunteer opportunities within that category. **Return the completed form to the PTA table at school events, or to the PTA box in the school office. You may also complete the e-form at www.lespta.com -> Get Involved.**
