Dear Jyoti,

Thank you for your gift to Inova of \$25,000.00 to our Inova Schar Cancer Institute - Greatest Need Fund. Your support speaks volumes about your commitment to our community and we are so grateful for your generosity.

Your donation helps Inova deliver the highest quality of compassionate care for our patients and builds a healthier Northern Virginia. You make it possible for us to innovate whether through advanced treatments and research at the Inova Schar Cancer Institute or providing vital community resources like Inova Cares Clinics that ensures the health and well-being of families outside Inova's hospital walls. Your partnership also means we can have the most skilled and talented team members, so every patient is in the best hands.

Because of you, we can focus on what matters most – caring for our community. We deeply appreciate your support and thank you for being a part of our Inova family.

Warmly,

Sage Bolte, PhD, LCSW, CST
Chief Philanthropy Officer and President
