Dear Jyoti,

Thank you for your generous donation of \$7,500.00 to Pink Fund. This gift allows us to meet essential expenses of housing, transportation, utilities, and health insurance for breast cancer patients as they undergo treatment. The impact of your gift is reflected in the responses we receive every day from the patients we help, like Kristine.

"I was diagnosed in April 2023 and nobody really tells you the financial strain a cancer diagnosis can bring. Cancer takes so much from you and to have to worry about how you will pay your bills or how much you are putting on credit just to get to the next month is exhausting. I chose to participate in a clinical trial for my type of breast cancer. We live two hours from the hospital and choosing to get treatment there required a lot of missing work, lodging, and gas. My husband and I do not have jobs that give us sick time or PTO. I am happy to say that the trial treatment was successful and at the end, I had a complete pathological response. The help I received from the Pink Fund played a part in that. I was able to focus on killing cancer instead of how we would pay our bills. For this, I am forever grateful."

— Kristine D.

Just this past month, we provided \$97,295.83 in bill payments for 103 breast cancer patients and their families. Your gift provides Real Help for the Other Part of the Fight™, alleviating the financial burdens of a breast cancer diagnosis for so many.

With gratitude,
