Dear Jyoti,

Thank you for your generous total donation of \$27,500.00 to Pink Fund in 2025. This gift allows us to meet essential expenses of housing, transportation, utilities, and health insurance for these patients and their families. The impact of your gift is reflected in the responses we receive every day from the patients we help, like Lucero.

"Thanks to your support, I can now focus on what matters most: my healing and personal well-being. The peace of mind you've given me is immeasurable. Instead of worrying about financial pressures, I can concentrate on my treatment, recovery, and spending quality time with my loved ones. Your organization is making a real difference in the lives of people like me who are fighting cancer."

— Lucero G.

We are currently facing an unprecedented surge in requests for financial assistance. This month, we are providing more than \$99,720 in bill payments for patients and their families. Your donations are more vital than ever, serving as an essential lifeline that enables us to provide Real Help for the Other Part of the Fight.™

With gratitude,

A handwritten signature in black ink that reads "Molly MacDonald".
