Dear Jyoti,

Thank you for your generous donation of \$10,000.00 to Pink Fund. This gift allows us to meet essential expenses of housing, transportation, utilities, and health insurance for these patients and their families. The impact of your gift is reflected in the responses we receive every day from the patients we help, like Heather.

"The assistance from the Pink Fund has alleviated so much of my stress. Throughout my illness I have felt a considerable amount of "guilt" for the pressure and strain it has caused my family. To not have to worry about these several bills for a few months has been a true gift. It's hard for me to express in words the level of my heartfelt appreciation and gratitude to the Pink Fund for their support."

— Heather D.

We are currently facing an unprecedented surge in requests for financial assistance. This month, we are providing more than \$90,800 in bill payments for patients and their families. Your donations are more vital than ever, serving as an essential lifeline that enables us to provide Real Help for the Other Part of the Fight.™

With gratitude,

Molly MacDonald
