Dear Jyoti,

Thank you for your generous donation of \$25,000.00 to Pink Fund. This gift allows us to meet essential expenses of housing, transportation, utilities, and health insurance for breast cancer patients as they undergo treatment. The impact of your gift is reflected in the responses we receive every day from the patients we help, like Tanya.

"I am a 49-year-old single mother of 4 amazing teens. I was diagnosed this past June with Stage 3+ metaplastic triple negative breast cancer with a very aggressive and fast-growing open-wound tumor. I was very scared and had to start chemo immediately. It's a very aggressive chemo regimen every week. I had to stop working and didn't know how I was going to pay my bills. The Pink Fund stepped in and eased some of the burden. They were able to cover my house and car payment for a month. I am truly grateful for this program and the assistance given when people like me are hit with such a scare. It helps ease the stress and burden so we can focus our energies on fighting this thing. Thank you to all the donors out there helping in our time of need. You are such a blessing!"

Tanya P.

Your gift provides Real Help for the Other Part of the Fight™, alleviating the financial burdens of a breast cancer diagnosis for so many.

I'm so happy to share that with your support this December, we have provided \$101,229.87 in bill payments for 92 breast cancer patients and their families. We couldn't have done this without you.

With gratitude,

Molly MacDonald
