Dear Jyoti,

Thank you for hosting your Blossoms for Pink Fundraiser benefitting The Pink Fund Your generous donation of \$2,500.00 provides one less worry to breast cancer patients as they undergo treatment. With your donation, we are meeting critical expenses of housing, transportation, utilities, and health insurance, allowing patients the time to take a breath and focus on healing.

We wanted to share the words of gratitude from one of our recipients who received **Real Help** thanks to donors such as yourself.

"I felt the sunshine this morning. It's been a long time since I have felt the rays of its warmth. It was all due to receiving an email this morning from The Pink Fund alerting me that my request for assistance had been granted.

My journey battling breast cancer started the same month COVID-19 shut the whole country down. I had to do all treatments, and emergency hospital stays due to complications, alone. My finances kept a cloud over me; leaving me to think that I may never see the sun ever shine again. The help that I have been granted financially is a tremendous ray of hope. My family can now see me smile again. The struggle is real, but the reward will be great. I pray that I will be able to pay it forward to another survivor; who may be struggling with losing hope too."

Thank you, Kina D. and family

Every day we are so thankful to be able to provide #RealHelpNow to the breast cancer community. On behalf of all of us at The Pink Fund, please know we are thinking of you and your loved ones during this challenging time.

With gratitude,

Molly MacDonald
CEO, The Pink Fund
