

Who is WIKI?

A non-profit group of volunteers whose purpose is to develop, construct, and maintain natural surface trails optimized for mountain biking at Willow River & Kinnickinnic State Parks in Wisconsin.

- WIKI has constructed 46 miles of trail since 2021.
- Our trail networks are thoughtfully designed for all riding abilities—from easy green routes to more challenging black trails. There are three bike playgrounds between both parks.
- We strive to build strong minds, bodies, character, and community through cycling.

WIKI is part of the Friends of Willow River & Kinnickinnic State Parks, a 501 (c)(3) nonprofit organization. Together with the Wisconsin DNR, we organize and fund supplemental projects that enhance and support both parks.

WIKI 2027-2028 Plan

WIKI has constructed over 16 miles of trail at Kinnickinnic State Park and more than 27 miles at Willow River State Park. These trail-building efforts represent over 15,000 volunteer hours and have created a trail network valued at more than $2,000,000.

WIKI is now entering the final phase of its building plan and will require the following resources over the next two years to bring these projects to completion.

2027 — $142,000

- Willow River
  - Bass Trail Rehabilitation & Construction — $94,000
    - Re-route sections of Large Mouth and Small Mouth trails to improve flow and sustainability. Add wood features on both trails.
    - Addition of feature-rich, intermediate-level downhill
  - Wild Turkey Reroute to add flow — $10,000
  - General maintenance to rebuild berms and restore better flow — $5,000
- Kinnickinnic
  - Stinkhorn completion — $10,000
  - Enhance Parasol to add more and bigger berms — $5,000
- Maintenance Equipment
  - Purchase weed whip/attachments, brush mower and trailer — $6,000
- Signage (Both Parks)
  - Update signage to apply a consistant approach and meet DNR standards — $12,000

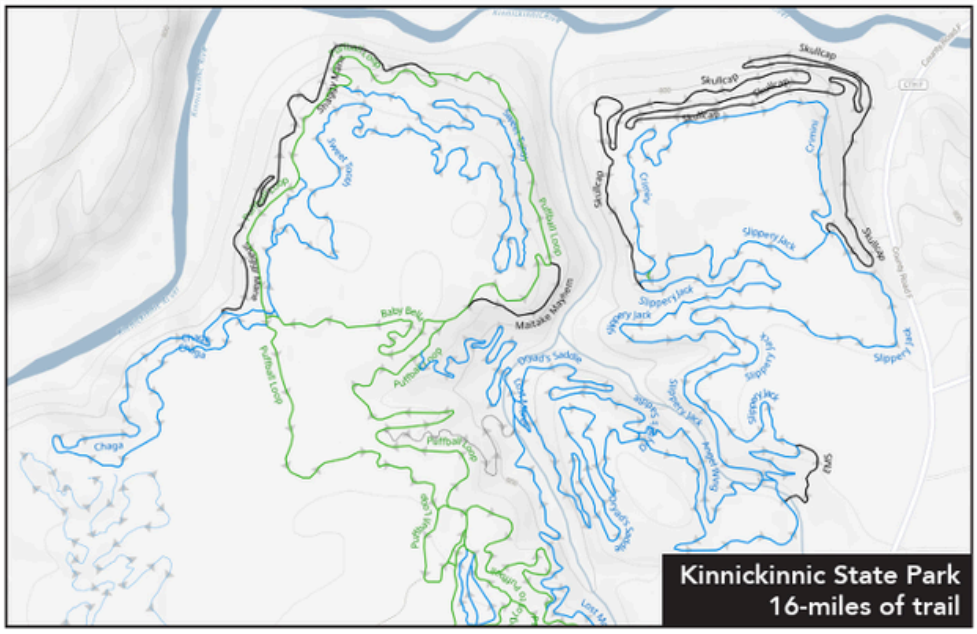

2028 — $130,000

- Willow River
  - Screech Owl Trail — $70,000
    - Construction of a 1-mile, feature-rich expert technical trail, including advanced wood features
  - Grumpy Grouse trail extension towards water falls — $60,000

TOTAL $272,000

Our Trails

WIKI's mission is to create trails that embody the three components of sustainability as established by the Bureau of Land Management:

1. **Environmental** – the landscape and what it can sustain
2. **Social** – the intended use
3. **Economic** – maintenance and upkeep of the trails

By adhering to these principles and strategies, WIKI has succeeded in building some of the best mountain bike trails in the Midwest.

Willow River & Kinnickinnic trails are now home to over 500 high school student-athletes and coaches who train there regularly.

Additionally, families that camp at Willow can now mountain bike, making it an outdoor activity destination spot.

Donate • Volunteer • Ride the Trails

Our goal of $272,000 is needed to support trail construction and improvements by 2028!

- Over 15,000 volunteer hours have been dedicated to building and maintaining these trails
- 100% of donated funds directly support trail construction, signage, and ongoing maintenance
- WIKI is a 501(c)(3) organization, making most donations tax-deductible
- Company matching gifts and donor-advised fund contributions are welcomed and accepted

What Stuff Costs:

- ***Portable Restrooms (3) — $6,600 Annually***
- ***Carsonite Trail Markers (100) $3,500***
- ***Contracted Work***
  - ***Trail Construction $10/ft***
  - ***Boardwalk / Bridges / Wood Features $100-$200/ft***
