

## Capability Statement

wilsononwheelsiilogistics.com

Wilson On Wheels II provides best-in-class government certified transportation services and general freight trucking company located in Maryland. Our operational services align with government agency and freight specific requirements. We are capable of single expedited moves offering multiple mode of transportation options. We are a CVE-certified Service-Disabled Veteran Owned Small Business (**SVOSB**). As a transportation provider, we are an essential service for linking companies to its suppliers and customers to fulfill a demand for mobility since transportation can only exist if it moves passengers, freight, and information regionally.
