"I sit in total amazement as I sit back and watch Me'Shae grow her new EventPrep business. Although I've witnessed several other franchisees launch their business, Me'Shae has surely raised the bar with her keen attention to detail, overall business acumen and unparalleled commitment to client success! We are extremely blessed to have Me'Shae representing the EventPrep brand, and I know Me'Shae's clients are equally blessed when trusting her with their own event planning & management needs. Keep up the great work, Me'Shae!!"

"Me'Shae, your launch was brilliant! We . . . had a meeting yesterday and we reflected on what an amazing event you staged. Yes, extraordinary, brilliant, amazing . . . the superlatives just kept coming. The whole event was pitch perfect, from the agenda, to the speakers to the audience to the food, and most importantly, the graciousness with which you created a great experience for so many. "Me'Shae Rolling with EventPrep was so helpful throughout our wedding planning process. It took a huge weight off of our shoulders knowing that we were in wonderful hands, not having to worry about where our family and friends would stay at a reasonable price. Me'Shae exceeded our expectations and you will not go wrong with her! She definitely helps you stay on track! Thank you, Me'Shae!"

*Hasan and Stasi Stephens*

"Me'Shae Rolling has been an instrumental part in the efforts to launch my business. Her hard work and quick response time were key in getting us over a road bump that I was afraid may have crippled us in the process to get us off the ground. She is exceptionally

talented in keeping multiple lines of contact between different venues to ensure that you find the best site that is the most well suited location for your event. I highly recommend working with her as no one would be disappointed with the tireless efforts she puts forth for her clients, she is honestly a miracle worker."

*Ralph P. Iovino, Owner, Koyocon LLC*

"Me'Shae was consistently incredibly communicative and helpful with our needs. She always laid out all our options, followed up quickly with any changes, and went to the mat with all of our potential locations to secure us the best deal possible. She isn't just a friendly and knowledgeable broker. She's someone you want in your corner."

*Sam Eschenbrenner*

"Me'Shae has been an extremely helpful resource to our production companies very diverse and often last minute needs. Most recently, Me'Shae helped us in finding a unicorn of an ask as we searched for housing very last minute for a huge event in a very small town with limited options. She made herself available day and night, weekends, and anytime in between hustling and getting us every option available at incredible rates! We are thrilled to have her as a resource in our endeavors."

*Michael Schade, Co-Producer, American High*

"Me'Shae has demonstrated a high level of commitment to her profession. She facilitates an environment in a way that her clients can maximize resources, increase productivity and ensure audience retention."

*Theodore R. Daniels, Founder and President  
Society for Financial Education and  
Professional Development, Inc.*

"I called Me'Shae only three weeks before my big Gala, and she and her team pulled off the entire affair expertly! Me'Shae was cautious to build a firm foundation and infrastructure—including protocols and procedures before delving in. The feedback I have received has been phenomenal. Her team supplemented my team, and they represented me and my brand to external stakeholders exceptionally well. I immediately attempted to engage Me'Shae's services for an even bigger venture, the 2020 Dream Summit."
