

Diablo

Mini Trimless

Description

The Mini Diablo is a premium fixed IP rated trimless downlight at the forefront of design with an elegant slim bezel and high CRI, ideal for Residential, Hospitality, Retail and Marine applications. It is shallow in order to fit most ceiling voids with ease, without compromising lumen output - using premium efficacy LED's with industry leading heat distribution and TIR optics, to achieve your desired beam angle.

When creating the Diablo we considered usability, ease of installation using magnetic retention for the light engine. Also, using our 'jigsaw method' you are able to interconnect multiple products in situ.
