YQGgreen

Together, we can be the driving force for a greener, more sustainable, and vibrant Windsor-Essex!

On behalf of the YQGgreen Networking Group,
The City of Windsor and our Community Partners
Welcome to our 3rd Annual YQGgreen Expo.

~ Elizabeth Elias-Hernandez,
Founder of YQGgreen

PORT WINDSOR
PROSPERITY FLOWS

The Windsor Port Authority is proud to be among the ports participating in the Green Marine environmental certification program that now has 50+ ports. This inclusive and comprehensive maritime initiative applies to both shipboard and shoreside operations.

Since 2001 the **Waste Reduction Week in Canada** campaign has engaged Canadians to better understand the issues of waste and the opportunities they have to accelerate our transition to a circular economy. Starting with a focus on recycling education and collection events, it has now expanded into a month-long celebration.

Waste Reduction Week looks at the waste reduction component of a circular economy.

TECHBRIDGE Your Future:

Explore Trades. Get Trained. Get Hired.

CAMM TechBridge is a workforce development initiative led by Canadian Association of Mold Makers (CAMM) to increase awareness, access and pathways into the mold making industry, across Ontario.

The initiative integrates both cutting edge VR training, a centralized resource center and information hub, VR simulator and hands-on engagement during Manufacturing Month in October and throughout the year.

PARTICIPATION IS FREE

FUNDING AVAILABLE FOR BOTH EMPLOYERS AND TRAINEES.

FOR INFORMATION:

NICOLE VLANICH 519.818.8866
