Ref: Endorsement of Leslie Ginther for National Executive Committee Member

Department of Alabama,

We the members of American Legion Auxiliary Millbrook, Unit 133 endorse Leslie Ginther for the office of National Executive Committee Member representing The Department of Alabama for the 2025-2026 and 2026-2027 membership years.

Leslie Ginther has a strong drive to accomplish our mission "Service not Self". At Unit 133 she has held the offices of Executive Board Member, Treasure, Secretary, General Counsel, and President. On the District level she has served as President and Secretary. At Department she has served as 1st Vice and President along with serving on several committees.

Leslie has proven to be able to balance her responsibilities to the Auxiliary with her responsibilities outside of the organization. She has served on the committee for fundraisers for Post 133 several times helping to ensure success. Last year she averaged over 200 hours volunteering with her Unit and Post at several functions and events.

Leslie always makes herself available to help any Auxiliary member no matter what Unit they are from. She is always willing to help members look up answers or get them the information they need. As Department President she has enjoyed getting to know even more auxiliary members not only in Alabama but across the National Organization.

We offer our heartfelt endorsement of Leslie Ginther for the office of the National Executive Committee Member representing The Department of Alabama.
