

Department of Alabama  
Junior Activities 2024-2025  
Plans of Actions  
Chairman Arletha Tucker

It has come to another beginning of a new year for the Junior Activities Patch Program. This is not just for the juniors, it is for the Sons of The American Legion also. I would like to see the Units and the Posts work with them to get them involved. There are 11 patches that they can earn for example: fundraisers, car washes, helping with leading the pledge of Allegiance in the meeting, collecting school supplies for the schools in their communities or for veterans' kids. They can also do a Poppy Drive including Juniors and Sons.

You have 3 levels with the program they are: red level is kindergarten – 3<sup>rd</sup> grade, gold level is 4<sup>th</sup> grade – 8<sup>th</sup> grade, and blue level is 9<sup>th</sup> grade – 12<sup>th</sup> grade. National has added one more level and is the purple level, which is for pre-school age of 3- and 4-year-olds. This level only has one form to fill out. Visit [www.ALAforVeterans.org](http://www.ALAforVeterans.org) and look for programs and then click on the Patch Program and it will have every form you need for each level. You can go to the Emblem Sales website for the Junior Activities Handbook.
