**BYLAWS
OF
HAWK CREEK HOMEOWNERS ASSOCIATION**

**ARTICLE I
Name and Location**

The name of the corporation is Hawk Creek Homeowners Association, hereinafter referred to as the "Association." The principal office mailing address of the Association will be C/O 4 Degrees, 1826 E Sprague Ave, Spokane, WA 99202, but meetings of members and directors may be held at such places within the State of Washington, as may be designated by the Board of Directors.

**ARTICLE II
Definitions**

The terms used in these Bylaws shall have the same meaning as those used in the Declaration of Covenants, Conditions and Restrictions of Hawk Creek (the "Declaration"), recorded under Lincoln County Auditor's File No. 2007 04:43816, and as amended from time to time. In the event there is a conflict between the terms and requirements of these Bylaws and the Declaration, the Declaration shall control.

ARTICLE III

Meetings of Members

Section 1. Annual Meetings. The first annual meeting of the members shall be held at the discretion of the original Directors within one (1) year from the date of incorporation of the Association. Thereafter, annual meetings shall be held on the anniversary of such date in each succeeding year, or on such date as approved by a majority of the membership if they decide the annual meeting should be held on another date for each succeeding year. The annual meeting may be held on any day including a Saturday or Sunday in order to facilitate attendance by members. However, the annual meeting shall not be held on a holiday.

Section 2. Special Meetings. Special meetings of the Members may be called at any time by the President, a majority of the Directors, or on written request of Members entitled to vote, in the aggregate, ten percent (10%) of the votes.

Section 3. Notice of Meetings. Written notice of each meeting of the Members shall be given by, or at the direction of, the Secretary or person authorized to call the meeting, by hand delivery or by mailing a copy of Such notice, postage prepaid, at least Fourteen (14) days before but not more than sixty (60) days before such meeting to each member entitled to vote at the meeting, addressed to the Member's address last appearing on the books of the Association, or supplied in writing by such member to the Association for the purpose of notice. Such notice shall specify the place, day, and hour of

the meeting, and the items on the agenda to be voted on by the Members, including the general nature of any proposed amendment to the Declaration, Articles of Incorporation, or Bylaws, changes of a previously approved budget that result in assessment obligations, and any proposal to remove a Director or officer, All meetings shall be held at such place as is convenient for the Members as determined by the Board of Directors. Notice may be provided via email if the member has provided the Association with an electronic consent form as allowed by state law.

Section 4. Quorum. The presence at the beginning of any meeting of Members entitled to cast thirty percent (30%) of the votes of the Association shall constitute a quorum throughout that meeting for any action.

Section 5. Manner of Voting. At all meetings of Members, each Member may vote in person, by mail, or by proxy. There should be one voting agent for each entity that owns a Lot, as defined in the Declaration. An entity may include an individual, a marital community, a company or corporation or any other entity authorized to own real property in Washington State. Each entity owning more than one lot shall be entitled to one vote per lot owned. Such voting agent shall be designated by the Owner or Owners of a Lot by written notice signed by each party with an ownership interest, which notice shall be filed with the Secretary of the Board of Directors. The voting agent need not be an Owner. Any designation of voting agent may be revoked at any time by any one of the parties with an ownership interest in the Lot on written notice filed with the Secretary of the Board of Directors. Such designation shall be deemed revoked when

the Secretary receives actual notice of the death or judicially declared incompetency of the Owner of the Lot, or of the conveyance of such ownership interest. When no designation is made, or where designation has been made and revoked and no new designation has been made, the voting agent shall be the person or group composed of all Owners of that Lot who attend any meeting of the Association; however, votes may not be split by multiple Owners of a Lot. Thus, if multiple Owners cannot agree on a vote, their vote will not be counted on a vote of the Association membership, even though those Owners may be counted for purposes of a quorum (as if abstaining). A proxy is void if it is not dated or purports to be revocable without notice. Unless stated otherwise in the proxy, a proxy terminates eleven (11) months after its date of issuance.

ARTICLE IV

Board of Directors: Selection; Term of Office

Section 1. Number of Directors. The affairs of the Association shall be managed by a Board of Directors. The number of Directors which shall constitute the whole Board shall be no less than three (3) and no more than seven (7), except in the instance of a tie of two new board members, the Board may extend the size of the Board to a total of eight (8). However, at the Board's option, the Board may conduct a "run-off" election. The "run-off" election will be conducted by polling those members present and eligible to vote at the annual meeting. The person with the highest vote count from the "run-off" election will be declared the winner of the "run-off" election.

Section 2. Compensation. No Director shall receive compensation for any Service rendered to the Association.

Section 3. Term of Office. The Directors shall serve terms of office for three years. In the event new elections are not held for any reason, the Directors last elected shall continue to serve until new elections are held. If the Board consists of eight (8) members as a result of an extra member being added due to a tie during an election, the next election will only open the number of positions necessary to return the board to seven (7) members. This provision only applies if there are eight (8) Board members at the time of an election.

Section 4. Removal. Any Director may be removed, with or without cause, upon the affirmative vote of a majority of the voting power of the Association present, in person or by proxy, at a properly called meeting at which a quorum is present.

ARTICLE V

Standard of Care for Directors

Section 1. Standard. A Director shall perform the duties of a Director, including the duties as a member of any committee of the Board upon which the Director may serve, in good faith, in a manner such Director believes to be in the best interests of the Association, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use under similar circumstances.

In performing the duties of a Director, a Director shall be

entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, in each case prepared or presented by:

(a) One or more officers or employees of the Association whom the Director believes to be reliable and competent in the matter presented;

(b) Counsel, public accountants, or other persons as to matters which the Director believes to be within such person's professional or expert competence; or,

(c) A committee of the Board upon which the Director does not serve, duly designated in accordance with a provision in the Articles of Incorporation or Bylaws, as to matters within its designated authority, which committee the Director believes to merit confidence; so long as, in any such case, the Director acts in good faith, after reasonable inquiry when the need therefor is indicated by the circumstances and without knowledge that would cause such reliance to be unwarranted.

This section shall not apply where the consequences of an act, omission, error, or negligence are covered by the insurance obtained by the Board.

Section 2. Amendment. If the statutory standard of care is, at any time, different than the standard of care set forth in these Bylaws, the Bylaws shall be deemed amended so that the standard of care shall be that standard set forth statutorily for nonprofit corporations in the State of Washington.

ARTICLE VI

Meetings of Directors

Section 1. Regular Meetings. Regular meetings of the Board of Directors shall be held no less than one (1) time a year at such place and hour as may be fixed by the Board of Directors. Notice shall be given annually to the Members of next year's meeting times.

Section 2. Special Meetings. Special meetings of the Board of Directors shall be held when called by the President of the Association, or by any Director, after not less than three (3) days notice to each Director. The meeting shall be held at the same place as the regular meetings, unless unavailable, in which event the President shall designate the place of the special meeting. Notice of Special Meetings will be posted on the Associations website at the earliest opportunity, so that Members may attend if they wish.

Section 3. Quorum. A quorum is deemed present throughout any meeting of the Board of Directors if a majority of the Board of Directors are present at the beginning of the meeting. Members present through use of telephone shall be deemed present for purposes of a quorum, and may vote by telephone. Every act or decision done or made by a majority of the Directors present at a duly held meeting at which a quorum is present shall be regarded as an act of the Board.

Section 4. Open Meetings. Except as provided in this Subsection, all meetings of the Board of Directors shall be open for observation by all Owners of record and their authorized agents. The

Board of Directors shall keep minutes of all actions taken by the Board, which shall be available to all Owners. Upon the affirmative vote in open meeting to assemble in closed session, the Board of Directors may convene in closed executive session to consider personnel matters; consult with legal counsel or consider communications with legal counsel; and discuss likely or pending litigation, matters involving possible violations of the governing documents of the Association, and matters involving the possible liability of an owner to the Association. The motion shall state specifically the purpose for the closed session. Reference to the motion and the stated purpose for the closed session shall be included in the minutes. The Board of Directors shall restrict the consideration of matters during the closed portions of meetings only to those purposes specifically exempted and stated in the motion. No motion, or other action adopted, passed, or agreed to in closed session may become effective unless the Board of Directors, following the closed session, reconvenes in open meeting and votes in the open meeting on such motion, or other action which is reasonably identified. The requirements of this subsection shall not require the disclosure of information in violation of law or which is otherwise exempt from disclosure.

ARTICLE VII

Powers and Duties of Board of Directors

Section 1. Powers. The Board of Directors shall have the power to do the following:

(a) exercise for the Association all powers, duties, and

the Lot Owners;

reasonable charge may be made by the Board for the issuance of Such statement. If a statement states an assessment has been paid, such statement shall be conclusive evidence of such payment;

- (e) enforce covenants as provided in the Declaration when deemed necessary by a vote of a majority of the Directors (this power of enforcement is in addition to the powers of the enforcement of any individual Owner);
- (f) in the event of Common Areas, procure and maintain adequate liability and hazard insurance on property owned by the Association. If available at a reasonable cost, maintain earthquake insurance on all Common Areas. Procure and maintain adequate liability insurance for the Directors of the Board of Directors;
