

Why host a Catholic Book Fair?

Secular book fairs are a great way to raise funds for your school or organization and put books in the homes of your families. Each year these book fairs are carrying more titles contrary to Catholic teaching. Sacred Heart Books and Gifts offers a book fair option with morally sound books you can trust. This book fair is a great way to expose students and families to many great titles – Catholic and non-Catholic. We offer a variety of quality books and educational materials. We carry classic literature rather than mass produced titles with very little literary value. We also have Catholic gifts and sacramentals that can be included in your book fair.

Catholic Book Fair Reviews

“I want to thank Tony and Lindy Meyer of Sacred Heart Books and Gifts for coming to Grandparents’ Day at St. John’s Catholic School. They offered a great selection of Catholic books, sacramentals, classic authors, and fun materials for all ages. Tony and Lindy were kind and professional and I look forward to having them back soon for our next event.”

Joe Holdren, Assistant Principal

“This was an awesome alternative to the secular book fairs that are out there! The variety of books and items available were geared toward all age levels! It was good, wholesome merchandise for the right price and the right audience!”

Marcy Kee, Principal

“The book fair was PHENOMENAL! Perfect selections for our school population. A little bit for everybody.”
