Dear Thunderbird Point Property Owner:

We would like to take this opportunity to tell you a little about the Thunderbird Volunteer Fire Department. We are located within the Thunderbird Point Subdivision but serve many of the surrounding communities, including Hills Point, Pistol Mills, Oak Ridge, Sunset Bay, Meadows Lake, "The Point", Eagle Shores, etc. TVFD works closely with the Pittsburg Fire Department and our fire fighters are on call 24/7. We are "first responders" as often we can get to the fire ahead of other departments depending on the location of the event.

TVFD is not only about fires. We respond to medical emergencies in our community before the ambulance arrives which can mean the difference between life and death especially in our rural areas.

In our continuing effort to raise funds and recruit members, we have held numerous fund raisers including several fish fries, gumbo cooking contests and pancake breakfasts. We have used some of these funds to buy bunker gear, purchase a fire engine, install a flag pole at our firehouse, maintain our two brush fire trucks, purchase a pump so that we can take water from the lake where appropriate, add a new ladder and new fire extinguishers so that our volunteers can go into harm's way as fully prepared as possible. Please join us for future fund raisers to be announced.

If you would like to explore the possibility of joining our Department, please contact Board President and Assistant Chief, Jerry Goforth at [903]767-5439 or goforthp@aol.com.
