ART SQUARED

3-D PRINTING

We started off the camp week getting acquainted with all the 3-D printing technology, before students were challenged to design their own name tags and print objects of all shapes and sizes! Today we explored rotating objects and degree and have started thinking about our final projects. In fact, some plan to 3D print props for their movie projects!

- Katrina

DIGITAL MUSIC

In Digital Music, we've been teaching the campers how to use music software and create songs that build and get MORE exciting as they go on! Soon we are going to experiment with different time signatures and add a variety of sound effects to our projects - like compression and EQ.

- Hayden

THEATREFIT

TheaterFIT is an original Highwood class blending theatre and fitness games for some high-energy fun! We start out every session with a warmup before jumping into a series of active games: including Winkam and Walk & Stop - challenging our quick-thinking skills - along with physical activities like Sharks & Minnows and Name Rush. Plus, campers had the chance to share their own theatre games they'd like to incorporate later in the week!

- Hayden

JOIN US FOR THE WEDDING SINGER!

Ladies and gentlemen, guys and gals - Highwood's 2019 Musical Theatre Intensive Company can't wait to send you laughing all the way back to the 80's in *The Wedding Singer* - the feel-good Broadway musical comedy!

Performances: **Friday July 19 at 8 PM; Saturday, July 20 at 2 & 8 PM;**
Sunday, July 21 at 2 & 7 PM
