

Custom Mini-Golf Scorecard Questionnaire

Thank you for your interest in a custom mini-golf scorecard mobile app for your park! This questionnaire is to obtain all of the necessary information that is required to make a custom app that represents your park.

Please fill out this questionnaire, and when finished, send the completed form to Patrick Horton at pjhorton17@gmail.com.

If you have any questions, please don't hesitate to reach out!

Section 1 is for the "Contact Us" screen in the app.

Section 1: Park Contact Information	
Your Name:	<input type="text"/>
Mini-Golf Park Name:	<input type="text"/>
Course Address:	<input type="text"/>
Course Phone Number:	<input type="text"/>
Course Email Address:	<input type="text"/>
Operating Hours:	<input type="text"/>
Course Website:	<input type="text"/>
Any Additional Contact Info:	<input type="text"/>

Section 2 is to know the maximum number of players per scorecard you would like. By default, the app allows a maximum of 9 players per scorecard. **If 9 is acceptable for your park, mark the following table "N/A"**. Otherwise, if you would like the maximum number of players to be lower, enter it in the table below.

Note: 9 players is the maximum, and can not be increased.

Section 2: Maximum Number of Players per Scorecard		N/A <input type="checkbox"/>
Max number of players per card (less than 9):	<input type="text"/>	

Custom Mini-Golf Scorecard Questionnaire

Section 3 is to know the stroke limit on any given hole. By default, the app **does not** have a stroke limit. **If this is acceptable for your park, mark the following table “N/A”.** Otherwise, enter your course’s stroke limit in the table below.

Section 3: Maximum Stroke Limit		N/A <input type="checkbox"/>
Course stroke limit:	<input type="text"/>	

Section 4 is to track your park’s course/courses par value for each hole. If “Course #2” does not apply to your park, select “N/A” and continue to section 5.

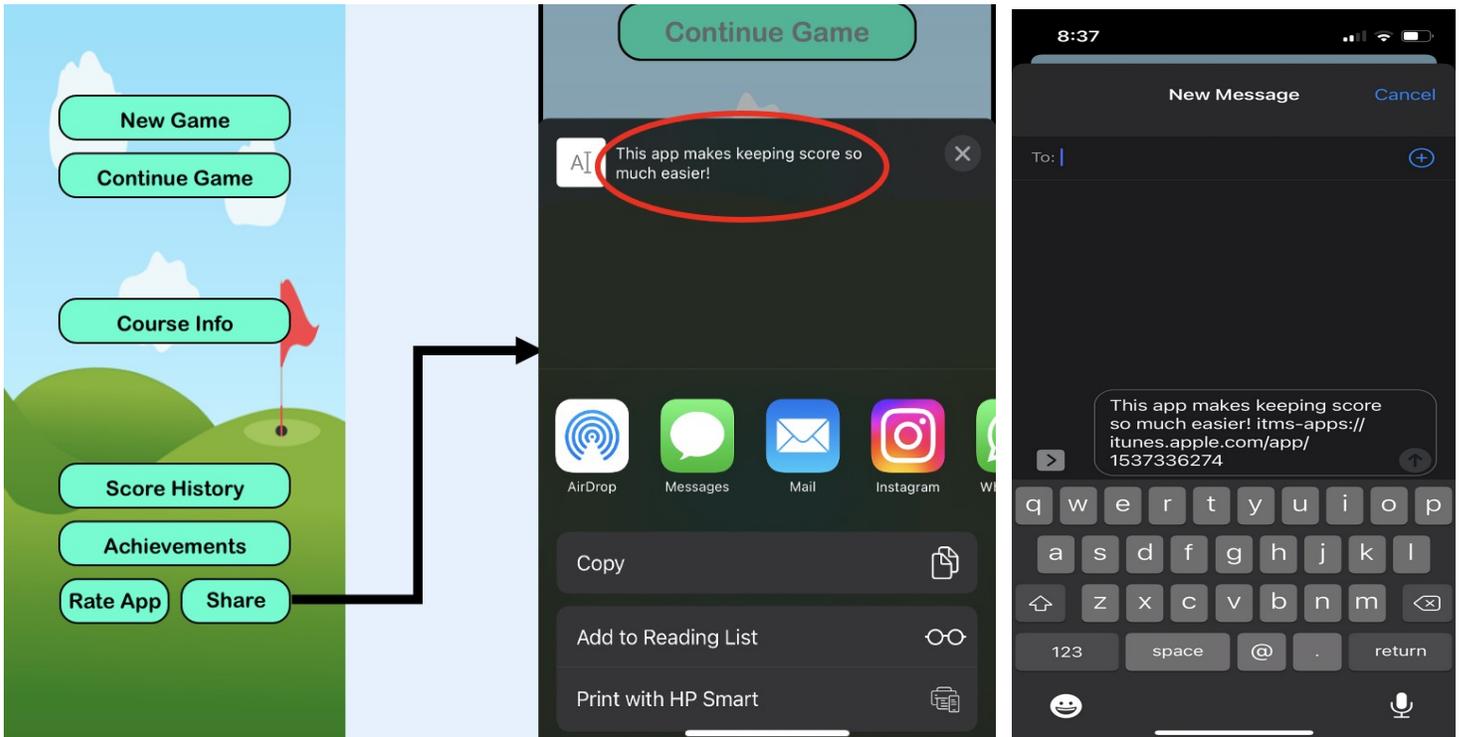

Section 4: Course Par Information									
COURSE #1									
Course 1 Name:		<input type="text"/>							
Hole	1	2	3	4	5	6	7	8	9
Par	<input type="text"/>								
Hole	10	11	12	13	14	15	16	17	18
Par	<input type="text"/>								
Additional information about Course #1:		<input type="text"/>							
COURSE #2									N/A <input type="checkbox"/>
Course 2 Name:		<input type="text"/>							
Hole	1	2	3	4	5	6	7	8	9
Par	<input type="text"/>								
Hole	10	11	12	13	14	15	16	17	18
Par	<input type="text"/>								
Additional information about Course #2:		<input type="text"/>							

Custom Mini-Golf Scorecard Questionnaire

Section 5 is to understand if there is a unique achievement that exists for your park that you would like to include for your players to try to earn. Refer to **Appendix 1** for a list of default achievements that comes with the app. If you do not need any additional achievements, mark the table below “N/A”. Otherwise, enter your achievement request below.

Section 5: Achievements		N/A <input type="checkbox"/>
Additional Achievement Request:		

Section 6: This section is to provide the text that is automatically populated when a user shares the app via the in-app share button. As shown in the image below, the default share message is: “*This app makes keeping score so much easier!*”, followed by a link to the app.

Custom Mini-Golf Scorecard Questionnaire

If the message above is acceptable, please mark the table below “N/A”. Otherwise, if you would like a different message to be provided, enter it in the table below.

Section 6: Share App Message		N/A <input type="checkbox"/>
Custom share app message:	<div style="border: 1px solid black; height: 80px;"></div>
