**When:** September 25, 2021

**Where:** Old Firehouse; 1628 Bird Point Drive.

**Time:** 10:00 - 11:00 am

**Agenda:**

**10:00 am:** Robert Morel will give the Treasurer's report

**10:15:** Station 3 update

**10:30:** Community discussion of Special Assessment for the repair of road damage

The issue of roads and culverts has been a regular topic for the ISLA Board, and the cost of road maintenance has slowly claimed a larger portion of the annual budget. Our yearly approach has been to determine the areas with the most need and delegate monies for work on those. With the recent storm, and two others since then, the roads have become both a safety issue demanding repair, and additionally, the replacement of three large culverts.

**Executive Board meeting to follow Community meeting.**

**Board of Directors**
