

My Spiritual Inventory for the year _____.

It is the beginning of this Hebrew year 5784 (sunset Sept. 15, 2023). The perfect time to begin reflecting on your past year's activities as the Gregorian New Year is just months away. As a member of the Kingdom of God, you want to grow in all aspects of life continually. To maintain a successful plan of growth, we need to make sure to know where we are on our journey, What better way than to take a "spiritual inventory."

The inventory brings to light areas in which you can grow. Turn these areas over to Father God, and repent where you have missed the mark. Together with Father God, ask for His strength and wisdom, and develop a plan of action to become more like the Father over the coming year.

Below are some suggested questions you may want to ask yourself. Take your time, review your answers after a few days of completing and reflect on your answers. Write out the plan for your growth over the next year.

1. Describe your walk with God over the past year.

2. Which fruits of the Spirit are most evident in your daily walk with Father God?

3. What role does the Bible play in your daily journey? Do you use it to influence your decisions? Do you hear God speaking through His Word? How do you respond?
