Swingin' Smiles Golf Tournament Sponsorship Package

To whom it may concern,

This small package is a formal request to you and your company in hopes of your interest in supporting our local charity event. Every year we hold the "Swingin' Smiles Golf Tournament". We are looking for businesses just like yours to be a part of our event in any way, big or small, everything makes a huge difference!

My wife, Janna, and I started the Smiles from Spencer Foundation in 2010 in honour of our son Spencer. After being diagnosed with an inoperable brain tumour in November 2008, Spencer fought a tough 13 months before saying goodbye in December 2009. During that time, many organizations supported our journey both in and out of the hospital and even after our final farewell. We have decided to recognize and give back to those organizations to help many more families just like ours.

Our name, Smiles from Spencer continues the legacy of his contagious and courageous smile. Spencer quickly became well known throughout the hospital staff, patients and surrounding community for his unwavering smile and positivity no matter the circumstance. Our goal is not only to raise money and awareness, but to provide support and help others find their SMILE.

To date, we have raised over \$260,000 in support of the Make a Wish Foundation, the Kids with Cancer Society, and other community events including our own programs and activities. To see more about what we do during the year, please visit our website: www.smilesfromspencer.com.

If you are interested, enclosed is all the information you may need about our tournament scheduled for Monday, August 24th, 2026. If you have any questions, feel free to reach out in any way best for you. All of our social media handles can be found on the website or you can contact us at (780) 998-5592 or smilesfromspencer@gmail.com.

Thank you in advance for your consideration and we look forward to hearing from you soon!

Sincerely,

Tyson Turner
President
Smiles from Spencer Foundation
