Swingin' Smiles Golf Tournament Sponsorship Package

To whom it may concern,

This is a request to you in hopes that you and your company would be interested in helping out our local fundraiser the "Swingin' Smiles Golf Tournament". Every year we look for businesses such as yours to be a part of our event, whether it is short or long term, this would be at your total discretion.

My wife Janna and I started the Smiles from Spencer Foundation in honour of our son Spencer in 2010. In November 2008, Spencer was diagnosed with an inoperable brain tumour. He strongly fought a 13-month battle and in December 2009 we said good-bye. During those 13 months, many people and organizations helped us out so we decided that after losing Spencer, we wanted to give back to those who gave and helped us.

The name of our organization, Smiles from Spencer, was created because Spencer became well known for his contagious smile. No matter what kind of treatment he was receiving, he smiled and tried to make others smile as well. The quality of life that Spencer had and tried to share with others was amazing. The Smiles from Spencer Foundation has been created with our goal being to raise money to share with others so that they too can find their SMILE.

To date the Smiles from Spencer Foundation has raised over \$250,000 in support of the Kids with Cancer Society, Make a Wish Foundation and other community events. We are hopeful to start our own support programs in the near future.

If you are interested in contributing to the tournament this year, Monday August 19, 2024, please find attached all of the information you will need.

Thank you in advance for your consideration to support our foundation. Contact us 780-998-5592 or smilesfromspencer@gmail.com if you have any questions.

Sincerely,

Tyson Turner

President
