Cigna True Choice Core Medicare Advantage Plan (PPO)

Cigna True Choice Core Medicare (PPO) is a Medicare Advantage PPO plan that combines Medicare Part A (Hospital Insurance) and Medicare Part B (Medical Insurance) with additional supplemental coverage in one easy-to-use plan. You have the option of using in-network or out-of-network providers with no referrals required, as long as they participate in Medicare and accept the plan. And unlike many other PPO plans, with this plan you pay the same cost-share to see an in-network provider or out-of-network provider.
