

## FACILITIES

### CLASSROOMS

The classroom plays a fundamental role in the learning process. It provides the components to create the best educational space. At Akshar Vidyavihar Modern School Classrooms are designed such that every student gets the teacher's maximum individual attention. Large well-ventilated classrooms with windows, fans and lights ensure physical comfort for learning. All rooms have bulletin boards to display and encourage creative, informative, and academic endeavours of the learners. The strength of each class is kept at a manageable level and the comfortable furniture adds to the ambience of the classroom.

### LIBRARY

The library which is the main resource centre for the students and the faculty will have a collection of over **5000** volumes with a special reference section and a reading room of CDs and DVDs to supplement the book collection. Junior library with numerous fun titles and audio-visual facilities caters to the Primary School students.

### SCIENCE LAB

There are labs spread over more than **3000** sq.ft. area. These are fully equipped to meet the curriculum requirements for practical's in Physics, Chemistry, Biology, Geography and History.

### MATH LAB

The room will have a wide range of Math Teaching Aids and activity materials that help students have a visual impact and a practical approach towards the concepts learnt in class.

### COMPUTER LAB

Computer Education is part of the curriculum from grade 1 to 10. Here, emphasis is on concept formation rather than merely providing information.

## **TRANSPORTATION**

Transport authorities at OCPS assure Safety, Security of each and every Student, experienced bus operators, bus attendants take care of bus services to and from School to all parts of Mahalingapur and nearby villages.

## **HEALTH CARE**

The health care centre is the place students go to when they need any kind of first aid. It is well equipped with medical requirements. Senior nursing personnel will be present during School hours. Every student of the school undergoes health check-up once in a year by the doctors of reputed hospitals. The checks include eye, dental, ENT, Paediatrics and General Health. Records of the medical history of each child are maintained in the school Almanac.

## **SPORTS**

At The AVVMS children are trained on 5S of sports are stamina, speed strength, skill and spirit. Sports and games curriculum is an integral and compulsory part of the education process.
