

# **Tucson Bicycle Classic**

**March 4-6, 2022**

**Tucson, AZ**

## **Communique' 2**

Reminder: The Women 2/3 field will be combined with the Masters Women 40-99 field. The start time for the combined field will be 7:20. The Women 2/3 and Masters Women 40-99 will be scored separately.

Sign-in at the start area tent. Sign-in opens 1 hour before and closes 10 minutes before race's assigned start time. Riders failing to sign in for the road race stage may result in fines per USAC 8A5(L).

All juniors including juniors racing in category are required to roll out after they sign-in and at least 15 minutes before the race's assigned start time. The roll out area is across from the sign-in area.

Numerous badly placed numbers were observed at the time trial. Please review the number placement picture on page 4 of the technical guide that is posted at [Event Info \(tucsonbicycleclassic.com\)](http://tucsonbicycleclassic.com).

Please make sure that all body numbers are securely fastened. There were many numbers that were not properly secured and were folded over at the finish making scoring difficult.

All starts for the road race are neutral until the entire field has made the turn from the staging area on Continental Road onto Duval Mind Road. Do not pass the lead vehicle.

#326 – Failed to roll out before the time trial. Please make sure that you roll out before the start of the road race and circuit race.

#306 – Riding on the time trial course when it was not their turn and other riders were on the course.
