*7% fuel surcharge	applicable to all invoices		

### Please Note:

- Travel time – Port to Port is charged at the hourly rate.
- 10 yards Included
- Line Pump \$175 Per Hour, Shot Crete \$295 Per Hour
- No washout provided, is subject to \$100 fee.
- Pump washout/prime-out bags can be supplied at a charge of \$195 per unit (customer is responsible for disposal of bag and its contents).
- \$25 primer fee for all jobs
- Overtime charge of \$25 per hour on Saturday.
- Pump jobs requiring over 150ft of line – (\$1 per foot - 151ft - 249ft)
- Pump jobs requiring more than 250ft of line - (\$2 per foot - 151ft - 1,100ft)
- Jobs cancelled with less than 8 hours' notice will be subject to a \$300 cancellation fee. Jobs cancelled with less than 4 hours' notice will be subject to the hourly minimum charge.
- In the event of a breakdown, Concrete Pumping Service will repair the equipment in as timely a manner as possible. An alternative concrete delivery method may be required. We will not be liable for any back-charges due to lost time or wasted material. For guaranteed performance, a standby pump is recommended.
- 10% - 30/60/90 late fee applicable to all invoices if not paid on time.
