Special Offer: Sibling Discount

General Terms and Conditions

The Provider is Discovery Tuition.

All special offers or promotions are non-transferable, non-refundable, and have no cash value.

Special offers and promotions are subject to availability and may be modified or withdrawn without notice.

Promotions apply to new bookings only and cannot be applied to existing or past sessions.

If a session is cancelled by the provider, a make-up session may be offered, but no additional discounts or credits will be given. Participation is subject to the provider's standard attendance, conduct, and safety policies.

Special offers and promotions cannot be combined with any other offer or discount.

Sibling Promotion

Families with more than one child attending the same session (i.e., same day and time) are eligible for a 25% discount on the standard hourly fee for the second child.

Applies to workshops, group sessions, and 1:1 tuition.

Both children must be booked for the same session in advance for the discount to apply.

The discount is available for the second child only. Additional sibling discounts may be considered on a case-by-case basis.

If one child withdraws from the session, the sibling discount for the remaining child will no longer apply.

The sibling discount applies only where siblings receive tuition on the same day. Where tuition sessions take place on separate days, the sibling discount will not apply, as each session is treated as an individual tuition booking.

The discount cannot be applied retroactively and is not valid for ad hoc or drop-in sessions.

The provider reserves the right to request proof of sibling relationship where applicable.

Sibling promotion bookings must be confirmed and paid in full prior to the first session to qualify.
