

# Turn Your Passion Into A Living

## Keynote/Seminar/Workshop

### The Power Of:

- Learning
- Doing
- Connecting
- Business
- Consistency

This presentation is geared towards students who want to make a living at the work they enjoy. Key topics include using your education as a strategy for the future, gaining experience to best support your goal, building your 'group', defining your brand, and researching your market.

Please send me details on your needs so I can tailor this information to fit your specific event. - [glen@glendunzweiler.com](mailto:glen@glendunzweiler.com)
