

# GLEN DUNZWEILER

## Presenter Skills: Impact Your Audience

### Keynote/Seminar/Workshop

- The Stage
- The Lights
- The Sound
- Your Wardrobe
- Your Slides
- Your Performance

This presentation is geared towards professionals who want to make a greater impact during their speaking engagements and/or videos. Subjects include finding your light, reducing microphone noise, how to better connect with your audience, using the stage/set, and more.

Please send me details on your needs so I can tailor this information to fit your specific event.
