UCHICAGO HEART FAILURE & TRANSPLANTATION

COURSE OVERVIEW

The 2025 **Courage and Innovation Symposium** is a one-day activity structured as a comprehensive educational symposium striving to educate clinicians, physician trainees, advanced practitioners, nurses, and other healthcare professionals across a wide range of specialties in the application of innovative therapies for cardiovascular disease. The distinguished faculty for this event includes many of the foremost clinicians at the University of Chicago Heart and Vascular Center as well as internationally recognized guest faculty. Through focused didactics, panel discussion, case studies and interactive dialogue, participants will gain both broad perspective and detailed insights into medical and surgical therapies for complex cardiovascular disease.

TARGET AUDIENCE

The 2025 **Courage and Innovation Symposium** has been designed to meet the educational requirements for clinicians, physician trainees, nurses, and other healthcare professionals across a wide range of specialties in the application of innovative therapies for cardiovascular disease.
