If you need to exit the auditorium, please do so between dances only unless an emergency or crying little one. If you know that you will be making several trips in and out of the auditorium, it is best to sit somewhere near the aisle. As a courtesy, do not talk during the show. Though that may not be your child on stage at that particular time, she or he is someone's dancer.

Thank you for making memories with all of us and supporting these amazing dancers. So let's all have a wonderful time... Break a leg, dancers!

Holiday Spectacular Tights

Each dancer will need to have on tights in prime condition. You may either purchase new tights or check out the tights that your dancer will wear for her June dance recital. Once she wears them for her December show, simply put them aside for her to use for recital pictures and our end of the year recital.

Costume Detail Sheets

Please verify that you have received your dancers Holiday Spectacular Costume Detail Sheets when checking out dancer's costumes. These sheets will remind you what comes with each costume, what color tights and shoes to wear, hair details and more.
