

Fairfield Dance Center

20th Annual Recital Confirmation & Costume Order Form

June 11, 2021 and June 12, 2021

Fairfield Dance Center's Twentieth Annual Dance Recital is scheduled for the weekend of June 11, 2021 & June 12, 2021. We are happy to see that Cypress and Houston Area High Schools are opening up to dance competitions and other events in the 2020/2021 dance season while keeping social distancing and the safety of our dancers and families in mind. With that said, we plan on holding our recital at one of our CFISD High School Auditoriums while possibly making additional and smaller shows to allow an audience while maintaining social distancing efforts.

Because most of our parents are still viewing classes via Zoom and unable to come in to communicate with, we are going to do our costume ordering process a little different this season. We will be measuring your dancer in classes this week. Next week you will receive a form of your dancer's measurements for you to double check and confirm by November 1, 2020.

In the meantime, please fill out and return this Recital Confirmation and Costume Order form with payment **no later than November 1st**. We will be more than happy to place your costume order after the due date but please note that a single order charge of \$20.00 will be added to each costume as this is what the costume companies charge for single orders. If you place a late order, we will not be able to guarantee that your dancer's costume will be here in time for pictures, but we will keep in close contact with the costume company and do everything that we can.

We will be ordering from more than 1 costume company this dance season. As we have started receiving dance costume catalogs, we have noticed that many of their sizing charts have changed and do differ company to company. Girth is going to be the most important measurement while keeping other measurements in mind as well as type of fabric and costume design. We will do our best to get the best fit possible. However, please remember that these are not costume made to your dancer's measurements. Exchanging costumes is usually not an option either as they make the size once they are ordered. So if your dancer fits in between sizes, it is much better to order the larger size and have it taken in.

The Recital Theme and Costume Book will be displayed January 2021
