

Safety Regulations Outline

1. Dancers should arrive no more than 5 minutes prior to class or camp time. If you arrive early, please wait in car.
2. Dancers will have a temperature scan at entrance. Anyone with a fever will be unable to stay. However, we can provide a Zoom or recorded option for that dancer if requested. Lobby will remain closed for viewing for the time being other than for one parent or caregiver for ages 2 1/2 through Kindergarten.
3. Dancers must sanitize hands upon entry. Hand sanitizer stations are also at the entrance of the front door, outside both studios as well as inside.
4. Dancer will be provided their own 6 foot "dance stage" that they will use for the duration of their classes and special areas for across the floor.
5. Each dancer will have their own marked area to leave their dance bag to allow for social distancing.
6. Parent or Caregiver will be able to enter front lobby area for drop off and pick up with a mask on covering mouth and nose. Zoom will be provided for viewing.
7. Dancers up to 9 years of age are not required to wear a face mask, but may do so if that is your preference. Anyone 10 + years must wear a mask unless they are in the studio for dance class and maintaining required distancing.
9. The studio will be thoroughly cleaned and disinfected daily. During "open hours" areas will be sprayed with Lysol and quick disinfectant wipes throughout the day and in between classes.

Thank you for helping us maintain an area safe and as healthy as possible for our dancers, their families, and staff.
