Special Attractions at Mars Applefest

Mars Farmers Market is a collection of local growers that will offer their vegetables, fruits, jams, jellies, and homemade creations.

Masonic Lodge Pancake Breakfast is hosted at the John E. Mair Lodge across the railroad tracks. Breakfast is served from 7:30AM - 12:00PM.

Mars Area History and Landmark Society, our local museum. A must while visiting is to take a ride on the Mars Shortline Railroad. Hours are 12:00PM - 4:00PM.

Mars Public Library and the Friends of the Library are hosting their Fall book sale. Doors open at 9:00AM.

NexTier Bank Challenges - Be challenged by Corn Hole and a giant, Connect Four Game. Prizes to be one. For the little ones, there will be a duck pond.

Advance Community Church - Children will find a wonderland of inflatable slides and playgrounds, with complimentary hamburgers and hot dogs.

Mars Flying Saucer - Now we can't forget to mention that everyone must stop and get photos with the spaceship. The flying saucer landed years ago.
