www.marsapplefest.com

Dear Applefest Vendors and Exhibitors:

We are planning Mars Applefest 2025 scheduled for the first Saturday in October 2025 (October 4, 2025). Once again Rich-Mar Rotary Satellite Club will be sponsoring the event. Our hope is to continue the wonderful successful years we all have enjoyed.

Enclosed is the Application for 2025. We know that it may seem a long way off, but we want to be sure that there is a smooth transition for the management, vendors, and attendees. Therefore, if you know that you would like to be a part of Mars Applefest 2025, please take time to complete the enclosed Application and signed Conditions and Requirements form, and return them as soon as possible along with your payment. **Application and payment are due no later than July 31, 2025.**

Spaces are designed to accommodate a 10' table. Although sometimes there is a small space between participants, the event is designed to have the front side of your space only accessible to Applefest guests. Food Trucks and Trailers will require 20 feet of space or more.

To attract guests to your location each booth should provide something to sell, taste, give away or gameplay, especially if your booth is for informational purposes such as a charitable organization. Please specify on your application what you will be offering. *All activities must be in conformance with current Pennsylvania law. Organizations considering any types of fund-raising raffles or other activities that might be construed as gambling are encouraged to consult an attorney, to be sure that all required permits/licenses have been secured.*

Electrical spaces are limited. We ask that you request electricity only if absolutely necessary. Electrical hookups are not available for table size spaces.

You are responsible for providing your own tent, tables, chairs, carpet, etc. Canopy tents of 10' square should have straight legs, not slanted to better fit your space, and not intrude upon your neighbor.

Although we will make every attempt to honor past vendors and the space previously assigned, we do quickly sell out and develop a waiting list. If applications are not received by July 31st, then your spot may be given away.

The event runs from 10:00 AM to 4:00 PM. Your booth must have someone there throughout the day. Please do not leave the event early. Do not drop off information and leave your booth unmanned.

Event is held rain, shine, or snow!

If you have questions email us at marsapplefest@yahoo.com. We look forward to another great year!!!

MARS APPLEFEST ORGANIZERS RESERVE THE RIGHT TO DENY SPACE FOR ANY ACTIVITY DEEMED NOT TO BE IN KEEPING WITH THE FAMILY-FRIENDLY NATURE OF THIS EVENT.
