

**Event Date**  
**Saturday October 3, 2026**  
**10:00 AM – 4:00 PM**

Rich-Mar Rotary Satellite Club  
P.O. Box 951, Mars, Pa. 16046-0951    [www.marsapplefest.com](http://www.marsapplefest.com)

Dear Applefest Vendors and Exhibitors:

We are planning Mars Applefest 2026, scheduled for the first Saturday in October. Once again, the Rich-Mar Rotary Satellite Club will be sponsoring the event. Our hope is to continue the wonderful successful years we all have enjoyed.

Enclosed is the Application for 2026. We know that it may seem a long way off, but we want to be sure that there is a smooth transition for the management, vendors, and attendees. Therefore, if you know that you would like to be a part of Mars Applefest 2026, please take time to complete the enclosed Application and signed Conditions and Requirements form, and return both as soon as possible along with your payment. **Application and payment are due no later than July 31, 2026. Emailed applications will not be accepted.**

Spaces are designed to accommodate a 10' table. Although sometimes there is a small space between participants, the event is designed to have the front side of your space only accessible to Applefest guests. Food Trucks and Trailers will typically require 20 feet of space or more.

➤ **Food Truck and Food Trailers must be in their space(s) no later than 9:00 PM, Friday October 2, 2026.** ⚡  
**Arrivals on Saturday will be turned away.**

Please specify in your application what you will be marketing so we can accurately list you on our website. To attract guests to your location, each booth should provide something to sell, taste, give away or gameplay, especially if your booth is for informational purposes such as a charitable organization.

*All activities must be in conformance with current Pennsylvania law. Organizations considering any types of fund-raising raffles or other activities that might be construed as gambling are encouraged to consult an attorney, to be sure that all required permits/licenses have been secured.*

Electrical spaces are limited. We ask that you request electricity only if necessary. Portable generators are permitted if they are quiet, sound is shielded and not disruptive to the overall Festival experience.

You are responsible for providing your own tent, tables, chairs, carpet, etc. Canopy tents of 10' square should have straight legs, not slanted, to better fit your space and not intrude upon your neighbor.

We will make every attempt to honor past vendors and the space previously assigned. We do sell out quickly and develop a waiting list. If applications are not received by July 31<sup>st</sup>, your spot may be given away. A limit to the types of vendors might be applied to provide a larger variety for the benefit of the community's engagement.

Your booth must have someone there throughout the day. Please do not leave the event early. Please plan to sell enough to get through the day. Do not drop off information and leave your booth unmanned.

**The event is held rain, shine, or snow! No refunds are provided after your payment has been processed.**

If you have questions email us at [marsapplefest@yahoo.com](mailto:marsapplefest@yahoo.com). We look forward to another great year!!!

**MARS APPLEFEST ORGANIZERS RESERVE THE RIGHT TO DENY SPACE FOR ANY ACTIVITY DEEMED NOT TO BE IN KEEPING WITH THE FAMILY-FRIENDLY NATURE OF THIS EVENT.**
