Q&A ON PROXY VOTING

Q: What am I voting on?

A: Shareholders are voting on: (i) setting the number of directors at five (5); (ii) the election of directors to the board of directors of the Corporation (the "**Board**") for the forthcoming year; (iii) the appointment of auditors for the Corporation for the forthcoming year and the authorization of the directors of the Corporation to fix their remuneration and the terms of their engagement; and (iv) approval of the continuance of the Corporation's existing stock option plan (the "**Stock Option Plan**").

Q: Who is entitled to vote?

A: Shareholders as of the close of business on November 15, 2019 (the "**Record Date**") are entitled to vote at the Meeting and at any adjournments thereof. Each common share (each a "**Share**" and collectively the "**Shares**") is entitled to one vote on those items of business identified in the Notice of Meeting.

Q: How do I vote?

A: There are several ways you can vote your Shares if you are a registered shareholder:

(i) By attending the Meeting and voting;

(ii) *By mail or fax*: complete, date and sign the enclosed form of proxy and return it to the Transfer Agent by fax within North America at 1-866-249-7775 (toll-free); or outside North America at 416-263-9524 (not toll-free), or by mail or by hand to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;

- (iii) *By phone:* using a touch-tone phone to transmit voting choices to 1-866-732-8683. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed form of proxy for the toll-free number, the Shareholder's account number and the proxy access number; or
- (iv) By using the internet through the website of the Corporation's transfer agent's website, www.investorvote.com; provided that you follow the instructions that appear on the screen and refer to the enclosed form of proxy for the holder's account number and the proxy access number.

In all cases please ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

If your Shares are held in the name of a nominee, please refer to the answer to the question "*What if my Shares are held through a brokerage account?*" to determine how you may vote your Shares.

Q: What if I plan to attend the Meeting and vote in person?

A: If you are a registered shareholder and plan to attend the Meeting on December 20, 2019 and wish to vote your Shares in person at the Meeting, do not complete or return the form of proxy. Your vote will be taken and counted at the Meeting. Please register with the Corporation's transfer agent, Computershare Investor Services Inc., upon arrival at the Meeting. If your Shares are held in the name of a nominee and you wish to attend the Meeting, refer to the answer to the question "*What if my shares are held through a brokerage account?*" for voting instructions.

Q: Who is soliciting my proxy?

A: **The enclosed form of proxy is being solicited by management of the Corporation** and the associated costs will be borne by the Corporation. The solicitation will be made primarily by mail but may also be made personally, by telephone or other telecommunication by the directors, officers and certain employees of the Corporation.

Q: What happens if I sign the form of proxy enclosed with this Circular?

A: Signing the enclosed form of proxy gives authority to Jag Sandhu, Advisor of the Corporation or failing him, Klaus Eckhof, President and CEO of the Corporation, or to another person you have appointed, to vote your Shares at the Meeting.

Q: Can I appoint someone other than these representatives to vote my Shares?

A: Yes. **Write the name of this person, who need not be a shareholder of the Corporation, in the blank space provided in the form of proxy and return the proxy to the Corporation's transfer agent.** It is important to ensure that any other person you appoint is attending the Meeting and is aware that he or she has been appointed to vote your Shares. Proxyholders should, upon arrival at the Meeting, present themselves to a representative of Computershare Investor Services Inc.

Q: If I change my mind, can I take back my proxy once I have given it?

A: Yes. A registered shareholder who executes and returns a proxy has the power to revoke it (to the extent that it has not been exercised) by depositing a written statement to that effect executed by the shareholder or his, her or its attorney duly authorized in writing or by electronic signature or by transmitting, by telephonic or electronic means, a revocation that is signed by electronic signature, or, if the shareholder is a corporation, by written instrument executed (under corporate seal if so required by the rules and laws governing the corporation) by a duly authorized signatory of such corporation:

- (i) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof. If such written instrument is deposited with the Chairman of the Meeting on the day of the Meeting or any adjournment

thereof, such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy;

(ii) with the Corporation's registrar and transfer agent, Computershare Investor Services Inc., by mail or by hand delivery at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof; or

(iii) in any other manner permitted by law.

A registered shareholder who has revoked a proxy may submit another form of proxy bearing a later date and duly depositing the same as described above in the answer to the question "*What do I do with my completed proxy?*"

A non-registered holder may revoke a voting instruction or a waiver of the right to receive the meeting materials or a waiver of the right to vote given to an intermediary at any time by written notice to the intermediary, except that an intermediary is not required to act on any such revocation that is not received by the intermediary well in advance of the Meeting.

Q: How will my Shares be voted if I give my proxy?

A: On the form of proxy, you can indicate how you want your proxyholder to vote your Shares, or you can let your proxyholder decide for you. If you have specified on the form of proxy how you want your Shares to be voted on a particular issue, then your proxyholder must vote your Shares accordingly. If you have not specified on the form of proxy how you want your Shares to be voted on a particular issue, then your proxyholder can vote your Shares as he or she sees fit. **IN THE ABSENCE OF SUCH DIRECTIONS, HOWEVER, YOUR SHARES WILL BE VOTED IN FAVOUR OF: (I) SETTING THE NUMBER OF DIRECTORS AT Five (5); (II) THE ELECTION OF THE DIRECTORS NAMED IN THIS CIRCULAR; (III) THE APPOINTMENT OF AUDITORS; AND (IV) THE APPROVAL OF THE CONTINUANCE OF THE STOCK OPTION PLAN.**

Q: What if amendments are made to these matters or if other matters are brought before the Meeting?

A: **The persons named in the form of proxy will have discretionary authority with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.**

As of the date of this Circular, management of the Corporation knows of no such amendment, variation or other matter expected to come before the Meeting. If any other matters properly come before the Meeting, the persons named in the form of proxy will vote on them in accordance with their best judgment.

Q: How many Shares are entitled to vote?

A: As of the Record Date, there are 19,845,000 Shares issued and outstanding. Each shareholder has one vote for each Share held at the close of business on the Record Date.

Q: How will the votes be counted?

A: Unless otherwise required by law, each question brought before the Meeting is determined by a majority of votes cast on the question. In the case of equal votes, the Chairman of the Meeting is not entitled to a second or casting vote.

Q: Who counts the votes?

A: The Corporation's transfer agent, Computershare Investor Services Inc., counts and tabulates the proxies. This is done independently of the Corporation to preserve the confidentiality of individual shareholder votes. Proxies are referred to the Corporation only in cases where a shareholder clearly intends to communicate with management or when it is necessary to do so to meet the requirements of applicable law.

Q: What if my Shares are held through a brokerage account?

A: If you hold your Common Shares through a brokerage firm, bank or other intermediary, or in the name of a clearing agency, in most cases you are considered to be a "non-registered" shareholder. **Please refer to the section entitled "Important Information For Non-Registered Shareholders" below for additional information on how to vote your Common Shares.**

IMPORTANT INFORMATION FOR NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders as a substantial number of shareholders do not hold Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Shareholders are Non-Registered Shareholders because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Shareholder deals with in respect of their Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS) of which the Intermediary is a participant.

In accordance with the requirements of NI 54-101, we have distributed copies of the Meeting Materials to the clearing agencies and Intermediaries for onward distribution to Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless in the case of certain proxy-related materials the Non-Registered Shareholder has waived the right to receive them.

Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Shareholders. With those Meeting Materials, Intermediaries or their service companies should provide Non-Registered Shareholders with a "request for voting instruction form" which, when properly completed and signed by such Non-Registered Shareholder and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow. The purpose of this procedure is to permit Non-Registered Shareholders to direct the voting of the Shares that they beneficially own. Should an Non-Registered Shareholder wish to vote at the Meeting in person, the Non-Registered Shareholder should follow the procedure in the request for voting instructions provided by the Corporation on behalf of the Intermediary and request a form of legal proxy which will grant the Non-Registered Shareholder the right to attend the Meeting and vote in person. Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the completed request for voting instructions is to be delivered. Management of the Corporation does not intend to pay for Intermediaries to forward to Non-Registered Shareholders under NI 54-101 the Meeting Materials, and that in the case of an Non-Registered Shareholder, the Non-Registered Shareholder will not receive the Meeting Materials unless the Non-Registered Shareholder's Intermediary assumes the cost of delivery.

Only Registered Shareholders have the right to revoke a proxy. Non-Registered Shareholders who wish to change their vote must in sufficient time in advance of the Meeting arrange for their respective Intermediaries to change their vote and, if necessary, revoke their proxy in accordance with the revocation procedures set out above.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The primary objectives of the Corporation's executive compensation program are to attract, motivate and retain executive officers who have the necessary skills, education, experience and personal qualities required to manage the Corporation's business for the benefit of its shareholders, and to align their success with that of the shareholders.

The Board has determined that until such time as the Corporation has started to generate revenues, no salaries will be paid to any of its executive officers, with the exception of management and administration fees currently being paid to the Corporation's CEO and Corporate Consultants and fees paid to the Corporation's CFO for accounting services he provides to the Corporation. Once revenues are being generated, the Board will consider paying salaries to its other executive officers and adding a second component to its current compensation program of long-term incentive compensation in the form of options. The new element will consist of the payment of cash compensation, where appropriate.

STOCK-BASED COMPENSATION

Under the terms of the Stock Option Plan, the Board or a committee of the Board may grant incentive stock options to the Corporation's directors, officers, employees and consultants to purchase Common Shares. The purpose of options is to provide a direct long-term incentive to improve shareholder value over time. The level of grant is determined by reference to standards of practice within the mineral exploration and the individual's level of responsibility within the Corporation.

The Corporation does not have a program or regular annual grant of options. When determining options to be allocated, a number of factors are considered, including the number of outstanding options held by an individual, the value of such options, and the total number of options available for granting.

Reference is also made to the heading "*Summary of Terms and Conditions of the Incentive Stock Option Plan*" below for further information.

SALARIES OR FEES

Future base executive compensation, in the form of salaries or consulting fees, will provide a fixed level of compensation for discharging the specific duties and responsibilities of the executive. The Board recognizes that the size of the Corporation may prohibit executive compensation from matching those of larger companies. The Board also believes that long-term equity interests, in the form of options (described above), will compensate for lower base fees. This compensation strategy is similar to the strategies of many other companies within the Corporation's peer group.

When determining executive compensation, the Board will review the compensation policies of companies engaged in businesses similar to the Corporation's. Although the Corporation has not obtained any industry reports regarding compensation, at the appropriate time the Board will review publicly available information with respect to compensation paid to the executives of companies that are also engaged in the telecommunications industry.

In setting the base compensation levels for individuals, consideration will be given to objective factors such as the level of responsibility, experience and expertise, as well as subjective factors such as leadership and contribution to corporate performance. Fees will be reviewed annually and adjustments may be made based upon corporate and personal performance, market conditions and the level of responsibility attributed to specific executives.

The purpose of the Plan is to provide key employees, officers, directors, consultants and agents of AJN resources Inc. and its subsidiaries (the "Company") added incentive for high levels of performance and to reward unusual efforts which increase the earnings and long-term growth of the Company. The judgment, initiative and efforts of valued employees and other selected individuals upon whom the financial success and growth of the Company largely depend will be entitled to purchase proprietary interests in the Company.

Section 2. Stock Subject to the Plan.

The total number of shares of stock reserved and available for distribution under the Plan shall be a rolling 10% of common stock issued and outstanding of the Company. The number of shares reserved hereunder may consist in whole or in part of authorized and unissued shares or treasury shares.

Upon exercise of the option in accordance with the terms of this Plan and the Option Agreement (described in Section 5 below), the grantee shall receive such shares of stock of the Company set forth in the Notice of Option Grant delivered to the grantee. A grantee to whom shares have been issued upon proper exercise of an option granted hereunder shall be entitled all rights of a shareholder, including, without limitation, dividends, voting and liquidation rights.

Section 3. Administration of the Plan.

The Plan shall be administered by a Committee (the "Committee"). The decision of the Committee as to all questions of interpretation and application of the Plan shall be final, binding and conclusive on all persons. The Committee may, in its sole discretion, grant options for shares of the Company's stock to such eligible individuals as it deems appropriate and issue stock upon exercise of such options. The Committee shall have authority, subject to the express provisions of the Plan, to construe the Option Agreements and the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan, to determine the terms and provisions of the Option Agreements, which may, but need not be identical, and to make all other determinations in the judgment of the Committee necessary or desirable for the administration of the Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any Option Agreement in the manner and to the extent it shall deem expedient to carry the Plan into effect and shall be the sole and final judge of such expediency. All decisions, interpretations and other actions of the Committee shall be final and binding. The Committee shall not be liable for any action or determination made in good faith. The functions of the Committee shall be exercised by the Board of Directors of the Company, if and to the extent that no Committee exists which has the authority to so administer the Plan.

Section 4. Eligibility.

Options may be granted to officers and employees of the Company, as well as agents and consultants to the Company, whether or not otherwise employees of the Company. In determining the eligibility of an individual to be granted an option under the Plan, as well as in determining the number of shares to be optioned to any individual, the Committee shall take into account the position and responsibilities of the individual being considered, the nature and value to the Company of his or her services and accomplishments, his or her present and potential contribution to the success of the Company, and such other factors as the Committee may deem relevant.

Section 5. Option Agreement.

Each option shall be governed by Notice of Option Grant and an option agreement (the “Option Agreement”) duly executed on behalf of the Company and by the grantee to whom such option is granted. The Option Agreement shall be subject to the terms and conditions of the Plan and may be subject to any other terms and conditions which are not inconsistent with the Plan and which the Committee deems appropriate for inclusion in the Option Agreement. Section 6. Option Price and Exercise of Option.

The exercise price shall be determined by the Committee in its sole and absolute discretion. Each option shall be exercisable at such time or times and during such period as shall be set forth in the Notice of Option Grant and/or Option Agreement. To the extent that an option is not exercised when it becomes initially exercisable, it shall be carried forward and shall be exercisable, on a cumulative basis, until the expiration of the exercise period.

Section 7. Term of Option; Exercisability.

(a) Term.

(i) Each option shall expire five (5) years from the date of the granting thereof, except as otherwise provided pursuant to the provision of Section 7(b) hereof and (z) earlier termination as herein provided.

(ii) Except as otherwise provided in this Section 7, an option granted to any grantee who ceases to perform services for the Company shall terminate Thirty (30) days after the date such grantee ceases to perform services for the Company.

(iii) If the grantee ceases to perform services for the Company because of dismissal with or without cause or because the grantee is in breach of any agreement with the Company, such option shall terminate on the date the grantee is dismissed, ceases to perform services for the Company or when the agreement with the Company was breached.

(iv) If the grantee ceases to perform services for the Company because the grantee has become disabled (as determined in the sole discretion of Committee), such option shall terminate on the next immediate anniversary date of the option grant date following the date such grantee ceases to perform services for the Company, or on the date on which the option expires by its terms, whichever occurs first. For example, if the option was granted on January 1st and the grantee became disabled on July 1st, the option would terminate on the following January 1st.

(v) In the event of the death of a grantee, any option granted to such grantee shall terminate on the next immediate anniversary date of the option grant date after the date of death, or on the date on which the option expires by its specific terms, whichever occurs first.

(vi) If any terms of this Plan are inconsistent with any provisions in an employment agreement existing as of the date of this Plan’s adoption, the provisions in the employment agreement will control.

(b) Exercisability.

(i) Each Option Agreement shall specify the date when all or any installment of the option is first exercisable. The exercisability provisions contained in any Option Agreement shall be determined by the Committee in its sole discretion.

(ii) Except as otherwise provided below, an option granted to any grantee who ceases to perform services for the Company shall be exercisable only to the extent that such option has vested and is in effect on the date such grantee ceases to perform services for the Company.

(iii) An option granted to a grantee who ceases to perform services for the Company because he or she has become disabled (as defined above) may be exercised by the grantor or his or her legal representative, but only to the extent that such option has become exercisable on or prior to the termination date of the option (as determined in accordance with Section 7(a)(ii)).

(iv) In the event of the death of any grantee, the option granted to such grantee may be exercised by the estate of such grantee or by any person or persons who acquired the right to exercise such option by bequest or inheritance, but only to the extent that such option has become exercisable on or prior to the termination date of the option (as determined in accordance with Section 7(a)(ii)).

Section 8. Options and Shares Not Transferable.

The option, the right of any grantee to exercise any option and the shares issuable upon exercise of the option shall not be, directly or indirectly, disposed, assigned or transferred by such grantee other than by will or the laws of descent and distribution, or, in the case of a grant pursuant to a qualified statutory agreement, to a family trust of the subject employee, and any such option shall be exercisable during the lifetime of such grantee only by the grantee (unless disabled or by the person who acquired the right to exercise such option by bequest or inheritance). Any attempted disposition or other transfer of the option and/or shares of stock granted pursuant to the exercise of an option under the Plan, including without limitation, any gift, purported assignment, whether voluntary or by operation of law, pledge, hypothecation or other disposition, attachment, trustee process or similar process, whether legal or equitable, shall be null and void and without effect.

Section 9. Recapitalization, Reorganization and Change of Control.

If the outstanding shares of the common stock of the Company are increased or decreased, or are changed into or exchanged for a different number or kind of shares or securities or other forms of property (including cash) or rights, as a result of one or more reorganizations, recapitalizations, spin-offs, stock splits, reverse stock splits, stock dividends or the like, appropriate adjustments shall be made in the number and/or kind of shares or securities or other forms of property (including cash) or rights for which Options may thereafter be granted under the Plan and for which Options then outstanding under the Plan may thereafter be exercised. Any such Share adjustments shall be made without changing the aggregate exercise price applicable to the unexercised portions of outstanding Options. Any fractional shares resulting from such adjustment shall be eliminated by rounding to the nearest whole number. Appropriate amendments to the Option Agreements shall be executed by the Company and the grantees to the extent the Committee determines that such amendments are necessary or desirable to reflect such adjustments. If determined by the Committee to be appropriate, in the event of any share adjustment involving the substitution of securities of a corporation other than the Company, the Committee shall make arrangements for the assumption by such other corporation of any Options then or thereafter outstanding under the Plan, without any change in the total exercise price applicable to the unexercised portion of the Options but with an appropriate adjustment to the number of securities, kind of securities and exercise price for each of the securities subject to the Options. The determination by the Committee as to what adjustment, amendments or arrangements shall be made pursuant to this Section and the extent thereof, shall be final and conclusive.

In the event of the proposed dissolution or liquidation of the Company, or in the event of a Change of Control, or any other transaction in which the outstanding shares then subject to Options under the Plan are changed into or exchanged for property (including cash), rights and/or securities other than, or in addition to, shares of the Company, the holder of each Option then exercisable shall have the right to exercise such Option for the kind and amount of shares of stock and other securities, property, cash or any combination thereof receivable upon such dissolution, liquidation, Change of Control or similar corporate event, by a holder of the number of Shares for which such Option might have been exercised immediately prior to such dissolution, liquidation, sale, consolidation or merger or similar corporate event. Any agreement providing for a Change of Control shall provide, at the discretion of the Committee, that the purchaser(s) of the Company's assets or stock shall deliver to the grantee the same kind of consideration that is delivered to other stockholders of the Company as a result of such sale, conveyance or Change of Control. Alternatively, the Committee may cancel all outstanding options in exchange for consideration in cash or in kind

which consideration in both cases shall be equal in value to the value the grantee would have received had the option been exercised (to the extent so exercisable) and no disposition of the shares acquired upon such exercise been made prior to such sale, conveyance or Change of Control, less the exercise price therefor. Upon receipt of such consideration, the options shall terminate and be of no further force and effect. The value of the stock or other securities the grantee would have received if the option had been exercised shall be determined in good faith by the Committee.

A “Change of Control” shall be deemed to have occurred upon the consummation of (i) an acquisition of any voting securities of the Company by any entity or person, immediately after which such entity or person has beneficial ownership of fifty-one percent (51%) or more of the then outstanding shares or the combined voting power of the Company’s then outstanding voting securities; (ii) the individuals who, as of the effective date of this Plan, are members of the Board (the “Incumbent Board”), cease for any reason to constitute at least two-thirds of the members of the Board; provided, however, that if the election, or nomination of any new director was approved by a vote of at least two-thirds of the Incumbent Board, such new director shall, for purposes of this Plan, be considered as a member of the Incumbent Board; (iii) a merger, consolidation or other business combination with or into another company; or (iv) the sale or other disposition of all or substantially all of the assets of the Company.

Section 10. No Special Employment Rights.

Nothing contained in the Plan, the Notice of Option Grant or the Option Agreement or in any option granted thereunder shall confer upon any grantee any right with respect to the continuation of his or her employment by the Company or interfere in any way with the right of the Company, subject to the terms of any separate employment agreement to the contrary, at any time to terminate such employment or to increase or decrease the compensation of the grantee from the rate in existence at the time of the grant of an option.

Section 11. Withholding.

The Company’s obligation to deliver shares upon the exercise of an option granted under the Plan shall be subject to the satisfaction by the grantee, as determined in the sole discretion of the Company, of all applicable income and employment tax withholding requirements.

Section 12. Modification of Outstanding Options.

Subject to the limitations contained herein, the Committee may authorize the amendment of any outstanding option with the consent of the grantee when and subject to such conditions as are deemed to be in the best interests of the Company and in accordance with the purposes of the Plan.

Section 13. Termination and Amendment of the Plan.

The Committee may at any time terminate the Plan or make such modification or amendment thereof as it deems appropriate. Termination or any modification or amendment of the Plan shall not, without the consent of a grantee, affect his or her rights under an option granted to him or her prior to the date of such amendment.

Section 14. Notices.

Any communication or notice required or permitted to be given under the Plan shall be in writing and mailed by registered or certified mail or delivered to the Company, to its principal place of business, attention: Committee, and, if to the holder of an option, to the address appearing on the records of the Company.

The Committee shall be comprised of a minimum two directors as determined by the Board of Directors. If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 51-102), then all of the members of the Committee shall be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.
