Burkins & Associates Consulting News—Spring 2022

ResearchGate

Matt Burkins is Big on ResearchGate

Looking for reliable data and research information? Check out ResearchGate, the free resource for articles on a wide range of science and technology topics.

Burkins & Associates CEO, Matthew Burkins is a pretty popular guy over there. Most recently, his [Ballistic Testing of SSAB Ultra-High Hardness Steel for Armor Applications](#) has reached over 9,000 reads. Check out [Matt's profile](#) for more in-depth information on ballistics and armor topics.

Supply Chain Saviors

Is your organization struggling with supply chain issues?

Let Burkins & Associates' staff go on the hunt for you! Recent items we've successfully found for clients include: small arms reloading propellant, primers, and aluminum bar stock.

Tell us what you need more of and maybe we can help you out too!

Industry Update

The [National Defense Industrial Association](#) recently named former Deputy Secretary of Defense David Norquist as its new president and chief executive. Norquist will take over the role on May 1st. NDIA has more than 1,700 member organizations and was founded in 1919 as the Army Ordnance Association. Its mission is to "promote best policies, practices, products, and technology for warfighters and others who ensure the safety and security of our nation."

We hope you've enjoyed this newsletter. If you received this, it's because we've previously contacted you via email for some reason. The newsletter is only sent quarterly, so we don't clog your inbox with a steady stream of messages.

However, if you don't feel our services are relevant to you any longer, we understand. Feel free to click the UNSUBSCRIBE button at the bottom of this message.

Thanks for reading, and as always—stay safe!
