

VERVE 15w40 Engine Oil

DESCRIPTION

Verve 15W-40 CI-4 is an advanced heavy duty diesel engine oil formulated with unique System 5 Technology™ for up to 20% better engine performance

BENEFITS

Modern engines operate in constantly changing conditions which impacts on engine performance. Verve 15W-40 CI-4 unique System 5 Technology™ responds to these changing conditions to maximise engine performance in 5 key areas: 1

1. Fuel consumption: Fights oil thickening, resulting in better fuel efficiency.
2. Oil consumption: Fights piston deposits, resulting in lower oil consumption.
3. Oil drain interval: Fights contaminants, resulting in longer drain intervals.
4. Component life: Fights wear and corrosion, enhancing the life of critical engine components.
5. Power: Fights soot, improving engine power all the way through the oil drain.

Verve 15W-40 CI-4 with unique System 5 Technology™ adapts to changing engine conditions delivering up to 20% better engine performance*. * in independent laboratory tests Verve 15W-40 CI-4 15W-40 performance up to 20% better than API standard limits for oil thickening, piston deposits, soot handling, wear and corrosion

Applications

Verve CI-4 15W-40 is suitable for use in a wide range of US, European and Japanese heavy duty diesel engines in both on and off-road applications including severe applications such as high loads and multi-trailer applications. Verve CI-4 15W-40 is suitable for use with biodiesel per OEM recommended drain intervals

KEY PROPERTIES:-

Property	CI
Grade	15W40
Density @ 15.6 C, kg/l, ASTM D4052	0.885
Flash Point	224
Kinematic Viscosity @ 100 C, mm ² /s, ASTM D445	14.5
Kinematic Viscosity @ 40 C, mm ² /s, ASTM D445	105
Pour Point, °C,	-42
Viscosity Index,	139
