

VERVE 20w40 Engine Oil

DESCRIPTION

Verve 20W-40 SF/CF is an advanced heavy duty diesel engine oil formulated with unique System 5 Technology™ for up to 20% better engine performance

BENEFITS

Modern engines operate in constantly changing conditions which impacts on engine performance.

Verve 20W-40 SF/CF unique System 5 Technology™ responds to these changing conditions to maximise engine performance in 5 key areas:-

1. Fuel consumption: Fights oil thickening, resulting in better fuel efficiency.
2. Oil consumption: Fights piston deposits, resulting in lower oil consumption.
3. Oil drain interval: Fights contaminants, resulting in longer drain intervals.
4. Component life: Fights wear and corrosion, enhancing the life of critical engine components.
5. Power: Fights soot, improving engine power all the way through the oil drain.

Applications

Verve CF/SF 25W-40 is suitable for use in a wide range of US, European and Japanese heavy duty diesel engines in both on and off-road applications including severe applications such as high loads and multi-trailer applications. Verve CF/SF 20W-40 is suitable for use with biodiesel per OEM recommended drain intervals

KEY PROPERTIES:-

| Appearance | Red |
|--|------------|
| Grade | 20W40 |
| Density @ 15.6 C, kg/l, ASTM D4052 | 0.885 |
| Flash Point | 210 |
| Kinematic Viscosity @ 100 C, mm ² /s, ASTM D445 | 14.5 |
| Kinematic Viscosity @ 40 C, mm ² /s, ASTM D445 | 140 |
| Pour Point, °C, | -42 |
| Viscosity Index, Min | 110 |
