

March 1st, 2022 - Zoom Meeting Notes

Looking at our charts as we begin.

Something you already know, but to remind you - We have said there is roughly 4,000 years between when Adam was created and Jesus Christ was born –

Adam was born 4,000 years **BC (the number of years before the birth of Christ)**

The flood happened 425 years later, and was listed as 3,600 BC- Moses was born some 1,200 years after Adam but the actual time in which he was born was listed at approximately 2,800 BC

Point being – from the time of the beginning, you count down toward the life of Jesus Christ, and after the death of Christ, the numbers go up.

We live in the year of 2,022 **AD** (after the birth of Jesus Christ)
