

THE SEVENTIETH WEEK

SEE ATTACHED NOTE

This chart depicts the final week of weeks explained in Daniel Chapter 9 vs. 27
He prince to come, the Antichrist, shall confirm a covenant with many for one week –
7 years.

69 weeks of years has been fulfilled, yet this future 70th week has more details
described in both the Old and New Testament than does any other predicted time in
history.

This period will kick off the “great tribulation”

Matthew chapters 23 and 24 explain it-

Jesus warns His disciples that after the Abomination of Desolation is set up, the most
unimaginable destruction will follow.

Daniel 12s gives us great insight into the Great Tribulation like no other destructive time
in history.

Shown in the chart is the interval between the cross and the 70th week, the actions of
Revelation 6-19, the period of time scripture calls “the time of Jacob’s trouble” the half-
way period where the Abomination of Desolation takes place within this 70th week, the
second coming of Jesus Christ with His church and the Millennium.
